

To: **Mr. Jan DWORAK, Chairman**  
**National Broadcasting Council of Poland**

Luxembourg, 30<sup>th</sup> July 2013

**Re.: National Broadcasting of the CEV European Volleyball Championships**

Dear Mr. JAN DWORAK,

It is with much interest that we received your letter dated 3<sup>rd</sup> July in which you inform us about the National Broadcasting Council of Poland and the draft regulations it is working on.

Although we understand the motivations of your letter and wish to see the CEV European Volleyball Championship matches involving Polish teams broadcasted on national television, we are sorry to note the short notice of your letter and must inform you that all contracts related to the TV broadcasting of the upcoming September 2013 Women's and Men's European Championships were negotiated and closed several months ago.

However, in order to evaluate and study your request for future events, we kindly ask you to please provide us with more statistics confirming the interest of the general public for the European Championships in Poland as we feel that the numbers provided with your letter unfortunately aren't detailed enough to allow a complete evaluation of this item.

Thanking you for your understanding and cooperation on this matter, we remain,

Sincerely Yours,

André MEYER  
CEV President

Thorsten ENDRES  
CEV Administrative Director
